

The background features a top-down view of various interior design tools and documents. On the left, a paintbrush with a wooden handle and a silver metal ring is positioned over a paint can. Below it, a yellow spirit level is partially visible. In the center, there are architectural floor plans with grey lines and dimensions. To the right, a red-handled roller is shown. At the bottom, a stack of color swatches in various shades of green, yellow, and orange is fanned out. The entire scene is framed by a thin yellow border.
